

HOLD WHAT'S IN YOUR HAND

BY JOHN FRANK 2007

Cmaj4 C Cmaj+4 C  
I'd like, to share a secret, that was passed on down to me,  
Cmaj+4 C Cmaj+4 C  
It's like mom you used to tell me, that the world is full of things to see  
Cmaj+4 C  
I wanted to tell you what is good and right  
Cmaj+4 C  
You just wanted to spend the night  
Cmaj+4 C  
So don't look for diamonds when you're standing in the sand  
Cmaj+4  
When the wind blows,  
Cmaj+4 C Cmaj+4  
Hold what's in your hand, Hold what's in your hand.

(Verse)

Cmaj+4 C Cmaj+4 C  
I'd like to share a secret; you're not the fairest in the land,  
Cmaj+4 C Cmaj+4 C  
You left me to find your reflection; you found nothing there except your hand.  
Cmaj+4 C  
I wanted to tell you what is good and right  
Cmaj+4 C  
You just wanted to spend the night  
Cmaj+4 C  
So don't look for diamonds when you're standing in the sand  
Cmaj+4  
When the wind blows,  
Cmaj+4 C Cmaj+4 C Cmaj+4 C  
Hold what's in your hand, Hold what's in your hand, Hold what's in your hand

(Verse)

(Choir Bridge)

Cmaj+4 C  
I'd like to get together to see what's there to see,  
Cmaj+4 C  
You want to get together to say goodbye to me  
Cmaj+4 C  
I'd like to get together to see what's there to see,  
Cmaj+4 C  
You want to get together to say goodbye to me,  
Cmaj+4 C Cmaj+4 C  
Goodbye, Goodbye,

(Verse)

Cmaj+4                    C                    Cmaj+4    C  
You're voice sounded familiar; it reminds me of my recent past,  
Cmaj+4                    C                    Cmaj+4  
I wanted to share all of my secrets, but you're not that soul,  
Cmaj+4                    C  
You are the one that passed, BYE-BYE!

(Chorus)

Cmaj+4                    C                    Cmaj+4                    C  
And I wanted to tell you what is good and right, you just wanted to spend the night,  
Cmaj+4                    C  
So don't look for diamonds when you're standing in the sand,  
Cmaj+4  
When the wind blows,  
Cmaj+4                    C    Cmaj+4                    C    Cmaj+4  
Hold what's in your hand, Hold what's in your hand, Hold what's in your hand....
