The desert heat a leather seat,

Are all a part of this, oh no,

It gets so hot, theres not a spot,

Somethings rising, numbers climbing,

I don't know which way to go,

Another day, another way,

I'm just glad that i'm not on fire,

The day is long heat is strong,

I know this has to end,

When it does, I'll be ther cuz,

I know the heat is round the bend,
