

Lonelyland by John Frank 2007

(verse 1)

I never thought i'd be here, but here i am,
Without your love to guide me i'm a lonely man
It's like a picture postcard in black and white,
I look it over when i'm alone at night,

(chorus)

I will take it like a man,
a man alone in lonely land....

(verse 2)

When i woke up this evening, I had a dream,
You wore the ring i gave you,
Our lives were clean,
But when the dream was over, I fell asleep,
And you were with another, In love so deep,

(chorus)

But I will take it like a man,
a man alone in lonely land...

I will take it like a man,
A man alone in lonely land.....
