

Minor Plea by John Frank copyright 2007

Am G
I'm finding it so hard to try
G Fmaj
Living my life with these lies
Fmaj E
How long do I keep this dream?
E

How long it been
Am G
When I whisper you shout
G Fmaj
When I walk in you rush out
Fmaj E
What can I do to make you see?
E

I'll make a Minor Plea.

(Chorus)

Am G
Make a Minor plea, Make a Minor Plea
Fmaj E
Make a Minor Plea Make a Minor Plea

(Verse)

Am G
I don't know where to begin
G Fmaj
My comforts they all come from sin
Fmaj E
I could take this time to die
E E
But there is no one left to cry

Am G
I don't know where to begin
G Fmaj
I guess it all starts from within
Fmaj E
When you hear this song you will see
E

I've made a Minor Plea.

(Chorus)

(Solo verse)

(Bridge)

Am G
Su amore es primero en mi Vida
Fmaj E
Y su amore se necissito Para cantar.
